AMENDMENT NO. 53
TO SCHEDULE 13D

This amended statement on Schedule 13D (this "Statement") relates to the shares of common stock, \$0.125 par value per share (the "Shares"), of NL Industries, Inc., a New Jersey corporation (the "Company" or "NL"). Items 2, 3, 4, 5, 6 and 7 of this Statement, previously filed (i) by Valhi, Inc. ("Valhi") and Tremont Corporation ("Tremont") as the direct beneficial owners of Shares, (ii) by virtue of their respective direct and indirect holdings of securities of Valhi and Tremont (as described previously on this Statement), by Contran Corporation ("Contran"); Valhi Group, Inc. ("VGI"); National City Lines, Inc. ("National"); NOA, Inc. ("NOA"); Dixie Rice Agricultural Corporation, Inc. ("Dixie Rice"); Dixie Holding Company ("Dixie Holding"); Southwest Louisiana Land Company, Inc. ("Southwest") and The Combined Master Retirement Trust (the "Master Trust") and (iii) by virtue of his positions with Contran, the Master Trust and certain other entities, as described previously on this Statement, Harold C. Simmons (collectively, the "Reporting Persons"), are hereby amended as set forth below.

The Reporting Persons have included the current date on the cover page (as the date of event that requires filing of this amendment) because the information included in this amendment does not constitute a material amendment of information previously included in this Statement. As a result, the filing of this amendment is not required under the rules of the Securities and Exchange Commission but is being made to update certain of the information previously disclosed in this Statement.

Item 2. Identity and Background.

Item 2(a) is amended and restated as follows:

(a) Valhi and Tremont are the holders of approximately 53.8% and 17.8%, respectively, of the outstanding common stock of the Company. Valhi and Tremont together may be deemed to control the Company. VGI, National, Contran, the Company and Valmont Insurance Company ("Valmont") are the holders of approximately 35.5%, 4.8%, 3.2%, 0.5% and 0.4%, respectively, of the outstanding Tremont common stock. The Tremont shares held by Contran include 1.4% of the outstanding Tremont common stock directly held by the Contran Deferred Compensation Trust No. 2 (the "CDCT No. 2"), a trust established by Contran as an irrevocable "rabbi trust" to assist Contran in meeting certain deferred compensation obligations that Contran owes Harold C. Simmons. Contran retains the power to vote shares held by the CDCT No. 2 and shares dispositive power over such shares with the trustee of the CDCT No. 2. Together, VGI, National and Contran may be deemed to control Tremont. Valhi is the holder of 100% of the outstanding stock of Valmont and may be deemed to control Valmont. VGI, National and Contran are the holders of approximately 75.1%, 10.1% and 6.2%, respectively, of the outstanding common stock of Valhi. The Valhi shares owned by Contran include 0.2% of the outstanding Valhi common stock directly owned by the CDCT No. 2. Together, VGI, National and Contran may be deemed to control Valhi. National, NOA and Dixie Holding are the holders of approximately 73.3%, 11.4% and 15.3%, respectively, of the outstanding common stock of VGI. Together, National, NOA and Dixie Holding may be deemed to control VGI. Contran and NOA are the holders of approximately 85.7% and 14.3%, respectively, of the outstanding common stock of National and together may be deemed to control National. Contran and Southwest are the holders of approximately 49.9% and 50.1%, respectively, of the outstanding common stock of NOA and together may be deemed to control NOA. Dixie Rice is the holder of 100% of the outstanding common stock of Dixie Holding and may be deemed to control Dixie Holding. Contran is the holder of approximately 88.7% and 54.3% of the outstanding common stock of Southwest and Dixie Rice, respectively, and may be deemed to control Southwest and Dixie

Rice.

Substantially all of Contran's outstanding voting stock is held by two trusts, the Harold C. Simmons Family Trust No. 1 dated January 1, 1964, and the Harold C. Simmons Family Trust No. 2 dated January 1, 1964 (together, the "Trusts") established for the benefit of Mr. Simmons' children and grandchildren, of which Mr. Simmons is the sole trustee. As sole trustee of the Trusts, Mr. Simmons has the power to vote and direct the disposition of the shares of Contran stock held by the Trusts; however, Mr. Simmons disclaims beneficial ownership thereof.

The Master Trust is a trust formed by Valhi to permit the collective investment by trusts that maintain the assets of certain employee benefit plans adopted by Valhi and related companies. Mr. Simmons is sole trustee of the Master Trust and sole member of the Trust Investment Committee for the Master Trust. Mr. Simmons is a participant in one or more of the employee benefit plans that invest through the Master Trust; however, Mr. Simmons disclaims beneficial ownership of the shares of Valhi common stock held by the Master Trust, except to the extent of his vested beneficial interest therein.

Mr. Harold C. Simmons is Chairman of the Board, President and Chief Executive Officer of Valhi, VGI, National, NOA, Dixie Holding and Contran. Mr. Simmons is also Chairman of the Board and Chief Executive Officer of Dixie Rice and Southwest. Additionally, Mr. Simmons is Chairman of the Board of the Company and a Director of Tremont.

By virtue of the relationships described above (a) Mr. Simmons may be deemed to control the Company, Tremont, Valhi, VGI, National, NOA, Dixie Rice, Dixie Holding, Southwest, and Contran, (b) Mr. Simmons (as trustee), the Trusts, Valhi, VGI, National, NOA, Dixie Rice, Dixie Holding, Southwest and Contran may be deemed to possess indirect beneficial ownership of the Shares held by Tremont and (c) Mr. Simmons (as trustee), the Trusts, VGI, National, NOA, Dixie Rice, Dixie Holding, Southwest and Contran may be deemed to possess indirect beneficial ownership of the Shares held by Valhi. However, Mr. Simmons and the Trusts disclaim such beneficial ownership of the Shares beneficially owned, directly or indirectly, by such entities, except as noted above.

Valmont and the Company hold 1,000,000 shares and 1,186,200 shares, respectively, of Valhi common stock as of the date of this Statement. The shares of Valhi common stock that Valmont and the Company own are treated by Valhi as treasury stock for voting purposes and for the purposes of this Statement, and, consequently, are not deemed outstanding for the purposes of this Statement.

Item 3. Source and Amount of Funds or Other Consideration.

No change except for the addition of the following:

On December 20, 1995, Valhi entered into a credit agreement with Societe Generale, Southwest Agency ("SoGen") pursuant to which SoGen agreed to loan Valhi up to \$15 million on a revolving basis (the "Valhi/SoGen Loan"). Valhi has and may in the future use the proceeds of the Valhi/SoGen Loan for the purchase of Shares. Amounts outstanding under the Valhi/SoGen Loan cannot exceed 33 1/3% of the market value of the Shares pledged by Valhi to secure the Valhi/SoGen Loan. Under the terms of the Valhi/SoGen Loan, interest on outstanding balances will accrue (i) for prime rate advances, at the greater of SoGen's prime rate or the overnight federal funds rate for the Federal Reserve System plus 2% and (ii) for Eurodollar advances, SoGen's LIBOR rate plus 1 1/2%. In connection with the Valhi/SoGen Loan, Valhi initially pledged as collateral approximately 4.8 million Shares, but may pledge additional Shares, or request the return of pledged Shares, depending on the market value of the Shares and the outstanding balance of the Valhi/SoGen Loan. The foregoing summary of the Valhi/SoGen Loan and Valhi's pledge of Shares pursuant thereto is qualified in its entirety by reference to the copy of such agreements attached as Exhibit 9.

The total amount of funds required by Valhi to acquire the Shares purchased by it as reported in Item 5(c) was \$3,653,700.00 (including commissions). Such funds were or will be provided by

Valhi's cash on hand a portion of which includes and may include borrowings under the Valhi/SoGen Loan.

The Reporting Persons understand that the funds required by the persons named in Schedule B to this Statement to acquire Shares were from such persons' personal funds.

Item 4. Purpose of Transaction.

No change except for the addition of the following:

The information included under Item 3 of this Amendment is hereby incorporated by reference in its entirety.

On November 16, 1995, Tremont and Contran entered into a loan agreement pursuant to which Contran agreed to loan Tremont \$15 million on a revolving basis (the ``Contran/Tremont Loan'') secured by certain Shares owned beneficially by Tremont. Amounts outstanding under the Contran/Tremont Loan cannot exceed 50% of the market value of the Shares pledged by Tremont to secure the Contran/Tremont Loan.

Under the terms of the Contran/Tremont Loan, interest on outstanding balances will accrue at prime plus 0.75% or, at Tremont's election, LIBOR plus 2%. In connection with the Contran/Tremont Loan, Tremont initially pledged 2.5 million Shares, but may be required to pledge additional Shares, or may request the return of pledged Shares, depending on the market value of the Shares and the outstanding balance of the Contran/Tremont Loan. The foregoing summary of the Contran/Tremont Loan and Tremont's pledge of Shares pursuant thereto is qualified in its entirety by reference to the copy of such agreements attached as Exhibit 8.

On January 4, 1996, Salomon Brothers Inc agreed with Tremont to extend, from January 4, 1996 to July 8, 1996, the due date of the \$2.5 million secured promissory note issued by Tremont and held by Salomon (the "Tremont/Salomon Loan"). As previously disclosed, the Tremont/Salomon Loan is secured by certain Shares owned beneficially by Tremont.

Valhi purchased the Shares reported in Item 5(c) of this Statement in order to increase its equity interest in the Company.

Depending upon their evaluation of the Company's business and prospects, and upon future developments (including, but not limited to, performance of the Shares in the market, availability of funds, alternative uses of funds, and money, stock market and general economic conditions), any of the Reporting Persons or other entities or persons that may be deemed to be affiliated with the Reporting Persons, other than the Master Trust, may from time to time purchase Shares, and any of the Reporting Persons or other entities or persons that may be deemed to be affiliated with the Reporting Persons may from time to time dispose of all or a portion of the Shares held by such person, or cease buying or selling Shares. Any such additional purchases or sales of the Shares may be in open market or privately-negotiated transactions or otherwise.

Except as described in this Item 4, none of the Reporting Persons nor, to the best knowledge of such persons, any other person named in Schedule B to this Statement has formulated plans or proposals that relate to or would result in any matter required to be disclosed in response to paragraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

No change except for the addition of the following:

(a) Tremont is the direct beneficial owner of 9,064,780 Shares, or approximately 17.8% of the 51,071,118 Shares outstanding as of October 25, 1995 (the "Outstanding Shares"), according to information contained in the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 1995 (the "Quarterly Report"). By virtue of the relationships described under Item 2 of this Statement, each of the other Reporting Persons may be deemed to share indirect beneficial ownership of the Shares directly owned by Tremont. Harold C. Simmons disclaims all such beneficial ownership.

Valhi is the direct beneficial owner of 27,457,310 Shares, or approximately 53.8% of the Outstanding Shares according to the information contained in the Quarterly Report. By virtue of the relationships reported under Item 2 of this Statement, Valhi may be deemed to be the beneficial owner of 36,522,090 Shares, or

approximately 71.5% of the Outstanding Shares according to information contained in the Quarterly Report. By virtue of the relationships described under Item 2 of this Statement, VGI, National, NOA, Southwest, Dixie Holding, Dixie Rice, Contran, the Master Trust and Harold C. Simmons may be deemed to share indirect beneficial ownership of the Shares directly owned by Valhi. Mr. Simmons disclaims all such beneficial ownership.

The Reporting Persons understand that Harold C. Simmons' spouse is the direct beneficial owner of 69,475 Shares, or approximately 0.1% of the Outstanding Shares according to information contained in the Quarterly Report. Mr. Simmons disclaims beneficial ownership of such Shares.

The Reporting Persons understand, based on ownership filings with the Securities and Exchange Commission or upon information provided by the persons listed on Schedule B to this Statement, that such persons may be deemed to own personally or beneficially certain Shares, as indicated on Schedule C to this Statement.

(c) The table below sets forth purchases of the Shares by the Reporting Persons during the last 60 days. All of such purchases were effected by Valhi on the New York Stock Exchange.

Section 2.01. The Advances. The Bank agrees, on the terms and conditions set forth in this Agreement, to make Advances to the Borrower from time-to-time on any Business Day during the period from the date of this Agreement until the Maturity Date in an aggregate outstanding amount not to exceed at any time the lesser of (i) the Commitment less the aggregate outstanding principal amount of Advances at such time and (ii) the Available Amount less the aggregate outstanding principal amount of Advances at such time. Each Advance shall be in an aggregate principal amount not less than \$1,000,000 and in integral multiples thereof. Within the limits of the Bank's Commitment, the Borrower may from time-to-time borrow, prepay pursuant to Section 2.07 and reborrow under this Section 2.01.

Section 2.02. The Procedure.

(b) Notice. Each Advance shall be made pursuant to a Notice of Borrowing (or by telephone notice promptly confirmed in writing by a Notice of Borrowing), given not later than 10:00 a.m. (Dallas, Texas time) (i) on the third Business

Day before the date of the proposed Advance, in the case of a Eurodollar Rate Advance, or (ii) on the Business Day of the proposed Advance, in the case of a Base Rate Advance, by the Borrower to the Bank. Each Notice of a Borrowing shall be in writing or by telecopier or telex, confirmed immediately in writing, specifying the requested date of such Advance, Type of Advance, aggregate amount of such Advance, and if such Advance is to be a Eurodollar Rate Advance, the Interest Period for such Advance. The Bank shall, before 1:00 p.m. (Dallas, Texas time) on the date of the Advance, make such funds available to the Borrower at its account at the Bank.

(c) Certain Limitations. Notwithstanding anything in paragraph (a) above:

(i) at no time shall there be more than five outstanding Eurodollar Rate Advances;

(ii) if the Bank shall, at least two Business Days before the date of any requested Eurodollar Rate Advance, reasonably conclude that the passage of or any change in or in the interpretation of any law or regulation makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful, for the Bank or its Eurodollar Lending Office to perform its obligations under this Agreement to make Eurodollar Rate Advances or to fund or maintain Eurodollar Rate Advances, the right of the Borrower to select Eurodollar Rate Advances shall be suspended until the Bank shall reasonably determine that the circumstances causing such suspension no longer exist (which the Bank agrees promptly to provide notice of to Borrower), and each subsequent Advance during such period shall be a Base Rate Advance;

(iii) if the Bank is unable, after the exercise of reasonable diligence, to determine the Eurodollar Rate for Eurodollar Rate Advances, the right of the Borrower to select Eurodollar Rate Advances shall be suspended until the Bank shall reasonably determine that the circumstances causing such suspension no longer exist (which the Bank agrees promptly to provide notice of to Borrower), and each subsequent Advance during such period shall be a Base Rate Advance; provided, however, the Bank agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would permit the Bank to determine the Eurodollar Rate for Eurodollar Rate Advances and would not, in the Bank's reasonable judgment, be otherwise disadvantageous;

(iv) if the Bank shall, at least two Business Days before the date of any requested Eurodollar Rate Advance, reasonably conclude that the Eurodollar Rate for Eurodollar Rate Advances will not adequately reflect the cost to the Bank of making or funding Eurodollar Rate Advances, as the case may be, the right of the Borrower to select Eurodollar Rate Advances shall be suspended until the Bank shall reasonably determine that the circumstances causing such suspension no longer exist (which the Bank agrees promptly to provide notice of to Borrower), and each subsequent Advance during such period shall be a Base Rate Advance;

(v) if the Borrower fails to select the duration of any Interest Period for any Eurodollar Rate Advance in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01 and paragraph (a) above, the Bank will forthwith so notify the Borrower and such Advance will be made available to the Borrower on the date of such Advance with a one-month Interest Period; and

(d) Notices Irrevocable. Each Notice of Borrowing pursuant to which the Borrower requests an Eurodollar Rate Advance shall be irrevocable and binding on the Borrower. (e) Note. The indebtedness of the Borrower to the Bank resulting from Advances owing to the Bank shall be evidenced by the Note from the Borrower payable to the order of the Bank.

Section 2.03. Fees.

(a) Commitment Fee. The Borrower agrees to pay to the Bank a commitment fee on the average daily unused portion of the Commitment from the date hereof until the Maturity Date at the rate of $\frac{3}{8}$ of 1% per annum, payable quarterly in arrears on the last day of each March, June, September and December commencing December 31, 1995 and ending on the Maturity Date.

(b) Administrative Fee. The Borrower agrees to pay to the Bank an administrative fee in the amount of \$2,000 on the date hereof.

Section 2.04. Reduction of the Commitments. The Borrower shall have the right, upon at least three Business Days' irrevocable notice to the Bank, to terminate in whole or reduce ratably in part the unused portions of the Commitment, provided that each partial reduction shall be in the aggregate amount of \$1,000,000 or an integral multiple thereof. Any such reduction or termination of the Commitment shall be permanent, with no obligation of the Bank to reinstate such Commitment and the commitment fees provided for in Section 2.03(a) shall thereafter be computed on the basis of the Commitment as so reduced.

Section 2.05. Repayment. The Borrower shall repay the principal amount of each Advance made by the Bank on the last day of the Interest Period for such Advance. In the event that the Borrower shall not have notified the Bank on or prior to 10:00 a.m. (Dallas, Texas time) on the Business Day immediately preceding the last day of an Interest Period that the Borrower intends to repay all Advances maturing as of the end of such Interest Period other than with proceeds of new Advances hereunder, Borrower shall be deemed to have requested an Advance comprised of Base Rate Advances in an amount equal to the aggregate amount of all Advances maturing on such date.

Section 2.06. Interest. The Borrower shall pay interest on the unpaid principal amount of each Advance made by the Bank from the date of such Advance until such principal amount shall be paid in full, at the following rates per annum:

(a) Base Rate Advances. If such Advance is a Base Rate Advance, a rate per annum equal at all times to the lesser of (i) the Adjusted Base Rate in effect from time-to-time and (ii) the Maximum Rate, payable in arrears on the last Business Day of each calendar quarter and on the date such Base Rate Advance shall be paid in full, provided that any amount of principal which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall bear interest, from the date on which such amount is due until such amount is paid in full, payable on demand, at a rate per annum equal at all times to the lesser of (i) the Adjusted Base Rate in effect from time-to-time plus 2% and (ii) the Maximum Rate.

(b) Eurodollar Rate Advances. If such Advance is a Eurodollar Rate Advance, a rate per annum equal at all times during the Interest Period for such Advance to the lesser of (i) the Eurodollar Rate for such Interest Period plus 1 $\frac{1}{2}$ % per annum and (ii) the Maximum Rate, payable on the last day of such Interest Period, and in the case of six month Interest Periods, on the day three months following the first day of any such Interest Period; provided that any amount of principal which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall bear interest, from the date on which such amount is due until such amount is paid in full, payable on demand, at a rate per annum equal at all times to the lesser of (i) the greater of (A) the Adjusted Base Rate in effect from time to time plus 2% and (B) the rate required to be paid on such Advance immediately prior to the date on which such amount became due plus 2% and (ii) the Maximum Rate.

Section 2.07. Prepayments.

(a) Right to Prepay. The Borrower shall have no right to prepay any principal amount of any Advances except as provided in this Section 2.07.

(b) Optional. The Borrower may elect to prepay Advances, upon at least

three Business Days' or, in case of Base Rate Advances, one Business Day's notice to the Bank stating the proposed date and aggregate principal amount of such prepayment, and if any such notice is given, the Borrower shall prepay such Advances in whole or ratably in part in an aggregate principal amount equal to the amount specified in such notice, together with accrued interest to the date of such prepayment on the principal amount prepaid and amounts, if any, required to be paid pursuant to Section 7.04(b) as a result of such prepayment being made on such date; provided, however, that each partial prepayment shall be in an aggregate principal amount not less than \$1,000,000.

(c) Mandatory. On the date of each reduction of the aggregate Commitment pursuant to Section 2.04, the Borrower shall make a prepayment in respect of the outstanding amount of the Advances to the extent, if any, that the aggregate unpaid principal amount of the Advances of the Bank exceeds the Commitment, as so reduced.

(d) Illegality. If the Bank shall notify the Borrower that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful for the Bank or its Eurodollar Lending Office to perform its obligations hereunder to maintain any Eurodollar Rate Advances of the Bank then outstanding hereunder, (i) the Borrower shall, no later than 1:00 p.m. (Dallas, Texas time) on the second Business Day following its receipt of such notice, prepay all of the Eurodollar Rate Advances then outstanding hereunder, together with accrued interest on the principal amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 7.04(b) as a result of such prepayment being made on such date (other than loss of any anticipated profits), (ii) the Bank shall thereupon make a Base Rate Advance to the Borrower on such date in an amount equal to the aggregate principal amount of the Eurodollar Rate Advances prepaid by the Borrower on such date, and (iii) the right of the Borrower to select Eurodollar Rate Advances for any subsequent Advance shall be suspended until the Bank shall notify the Borrower that the circumstances causing such suspension no longer exist.

(e) Collateral Value Maintenance. If at any time the Bank shall notify the Borrower that the aggregate outstanding amount of Advances exceeds 33 % of

the Collateral Value of Pledged Shares, then within one Business Day of its receipt of such notice, the Borrower shall at its option (i) prepay Advances, together with accrued interest on the principal amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 7.04(b) as a result of such prepayment being made on such date, so that immediately following such prepayment, the aggregate outstanding amount of Advances at such time is equal to or less than 33 % of the Collateral Value of

Pledged Shares or (ii) provide the Bank with additional Pledged Shares so that the aggregate outstanding amount of Advances at such time is equal to or less than 33 % of the Collateral Value of all such Pledged Shares.

(f) Notice. The Borrower will give notice to the Bank at or before the time of each prepayment of Advances pursuant to this Section 2.07 specifying the Advances which are to be prepaid and the amount of such prepayment to be applied to such Advances. All notices given pursuant to this Section 2.07 shall be irrevocable and binding upon the Borrower.

Section 2.08. Increased Costs and Capital.

(a) Change of Law. If, due to either (i) the introduction of or any change (other than any change by way of imposition or increase of reserve requirements included in the Eurodollar Rate Reserve Percentage) in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law), there shall be any increase in the cost to the Bank of agreeing to make or making, funding or maintaining Eurodollar Rate Advances, then the Borrower shall from time to time, upon demand by the Bank, immediately pay to the Bank such additional amounts sufficient to compensate the Bank for such increased cost; provided however, that before

making any such demand, the Bank agrees to use commercially reasonable efforts (consistent with its internal policy and subject to legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost and would not, in the reasonably judgment of the Bank, be otherwise economically disadvantageous to the Bank. A certificate (a) indicating the amount of such increased cost and detailing the calculation of such cost, (b) stating that the Bank is generally charging such amounts to other customers similarly situated with the Borrower, and (c) that all costs are being charged within 90 days of the date the Bank learned of such costs, such certificate to be conclusive and binding for all purposes, absent manifest error.

(b) Capital Adequacy. If the Bank determines in good faith that compliance with any generally applicable law or regulation or any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law) implemented or effective after the date of this Agreement increases or would increase the amount of capital required or expected to be maintained by the Bank or any corporation controlling the Bank and that the amount of such capital is increased by or based upon the existence of the Bank's commitment to lend hereunder and other commitments of this type, then, upon demand by the Bank, the Borrower shall immediately pay to the Bank, from time to time as specified by the Bank, additional amounts (without duplication of any other amounts payable in respect of increased costs) sufficient to compensate the Bank in light of such circumstances, to the extent that the Bank reasonably determines such increase in capital to be allocable to the existence of the Bank's commitment to lend hereunder. A certificate shall be submitted to the Borrower by the Bank (a) indicating the amount of such capital adequacy costs and detailing the calculation of such costs, (b) stating that the Bank is generally charging such amounts to other customers similarly situated with the Borrower, and (c) that all such costs are being charged within 90 days of the date the Bank learned of such costs, such certificate to be conclusive and binding for all purposes, absent manifest error.

Section 2.09. Payments and Computations.

(a) Payment Procedures. The Borrower shall make each payment hereunder and under the Note not later than 1:00 p.m. (Dallas, Texas time) on the day when due in Dollars to the Bank at the location referred to in the Note (or such other location as the Bank shall designate in writing to the Borrower) in same day funds.

(b) Computations. All computations of interest based on the Base Rate shall be made by the Bank on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurodollar Rate, the Federal Funds Rate and of fees shall be made by the Bank, on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Bank of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Non-Business Day Payments. Whenever any payment hereunder or under the Note shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the case may be; provided, however, that if such extension would cause payment of interest on or principal of Eurodollar Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

Section 2.10. Taxes.

(a) No Deduction for Certain Taxes. Any and all payments by the Borrower hereunder or under the Note shall be made, in accordance with Section 2.09, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding taxes imposed on the Bank's income, and franchise taxes imposed on it, by the jurisdiction under the laws of which the Bank is

organized or any political subdivision of the jurisdiction (all such nonexcluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes") and Taxes by the jurisdiction of the Bank's Applicable Lending Office or any political subdivision of such jurisdiction. If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable to the Bank, (i) the sum payable shall be increased as may be necessary so that, after making all required deductions (including deductions applicable to additional sums payable under this Section 2.10), the Bank receives an amount equal to the sum it would have received had no such deductions been made; (ii) the Borrower shall make such deductions; and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) Other Taxes. In addition, the Borrower agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or under the Note or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or the Note (hereinafter referred to as "Other Taxes").

(c) Indemnification. The Borrower will indemnify the Bank for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.10) paid by the Bank and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. Each payment required to be made by the Borrower in respect of this indemnification shall be made to the Bank within 30 days from the date the Borrower receives written demand therefor from the Bank.

(d) Evidence of Tax Payments. The Borrower will pay when due all Taxes payable in respect of any payment hereunder or under any Note. Within 30 days after the date of any payment of Taxes, the Borrower will furnish to the Bank the original or a certified copy of a receipt evidencing payment thereof.

(e) Survival of Obligations. Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 2.10 shall survive the payment in full of principal and interest hereunder and under the Note for a period equal to the applicable statute of limitations.

(i) The representations and warranties contained in Article IV are correct in all material respects on and as of the date of such Advance, before and after giving effect to such Advance and to the application of the proceeds therefrom, as though made on and as of such date, and

ARTICLE IV REPRESENTATIONS AND WARRANTIES

Section 4.01. Representations and Warranties of the Borrower. The Borrower represents and warrants as follows:

(a) Corporate Existence. The Borrower is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and in good standing and qualified to do business in each jurisdiction where its ownership or lease of property or conduct of its business requires such qualification, except where a failure to be qualified could not reasonably be expected to cause a Material Adverse Change.

(b) Corporate Power. The execution, delivery and performance by the Borrower of this Agreement, the Note, and the other Credit Documents, and the consummation of the transactions contemplated hereby and thereby are within the Borrower's corporate powers, have been duly authorized by all necessary corporate action, do not contravene (i) the Borrower's certificate of incorporation or bylaws or (ii) any law or any material contractual restriction binding on or affecting the Borrower and will not result in or require the creation or imposition of any Lien prohibited by this Agreement. Agreement, the Note, or the other Credit Documents or the consummation of the transactions contemplated thereby. Except as set forth in the Financial Statements or on Schedule 4.01(f) attached hereto, or as otherwise disclosed in writing by the Borrower to the Bank, to the best knowledge of the executive officers of the Borrower, there is no pending or threatened action or proceeding affecting the Borrower before any court, Governmental Authority or arbitrator, which could reasonably be expected to cause a Material Adverse Change or which purports to affect the legality, validity, binding effect or enforceability of this Agreement, the Note, or any other Credit Document. Additionally, to the best knowledge of the executive officers of the Borrower, there is no pending or threatened action or proceeding instituted against the Borrower as bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee or other similar official for it or for any substantial part of its property.

No proceeds of any Advance will be used to purchase or carry any margin stock in violation of Regulation G, T, U or X, and no proceeds of any Advance shall be used for acquisitions by the Borrower or any Subsidiary of the Borrower which would require the Borrower or any such Subsidiary to file a Schedule 13D or an amendment of any Schedule 13D filing with the SEC (other than purchases of additional NL Shares).

(h) Investment Company Act. The Borrower is not an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(i) Taxes. Except as set forth in the SEC Filings with respect to matters being contested in good faith by appropriate proceedings, and for which reserves, if required by GAAP, are being maintained, all federal and all material state, local and foreign tax returns, reports and statements required

to be filed by the Borrower have been filed with the appropriate Governmental Authorities in all jurisdictions in which such returns, reports and statements are required to be filed, unless the failure to file could not reasonably be expected to cause a Material Adverse Change, and all taxes (which are material in amount) and other impositions due and payable have been timely paid prior to the date on which any fine, penalty, interest, late charge, or loss may be added thereto for non-payment thereof, unless the failure to pay when due and payable could not reasonably be expected to cause a Material Adverse Change.

(j) Pension Plans. No Termination Event has occurred with respect to any Plan, and each Plan has complied with and been administered in all material respects in accordance with applicable provisions of ERISA and the Code. No "accumulated funding deficiency" (as defined in Section 302 of ERISA) has occurred and there has been no excise tax imposed under Section 4971 of the Code. To the knowledge of any Responsible Officer of the Borrower, no Reportable Event has occurred with respect to any Multiemployer Plan, and each Multiemployer Plan has complied with and been administered in all material respects with applicable provisions of ERISA and the Code. The present value of all benefits vested under each Plan (based on the assumptions used to fund such Plan) did not, as of the last annual valuation date applicable thereto, exceed the value of the assets of such Plan allocable to such vested benefits in any amount that would reasonably be expected to cause a Material Adverse Change. The Borrower has not had a complete or partial withdrawal from any Multiemployer Plan for which there is any material withdrawal liability. As of the most recent valuation date applicable thereto, the Borrower has not received notice that any Multiemployer Plan is insolvent or in reorganization. Based upon GAAP existing as of the date of this Agreement and current factual circumstances, the Responsible Officers of the Borrower have no reason to believe that the annual cost during the term of this Agreement to the Borrower for post-retirement benefits to be provided to the current and former employees of the Borrower under welfare benefit plans (as defined in Section 3(1) of ERISA) could, in the aggregate, reasonably be expected to cause a Material Adverse Change.

(k) Environmental Condition. Except as described in the Borrower's annual report on Form 10-K for the year ended December 31, 1994 (the "Valhi Form 10-K") or as set forth on Schedule 4.01(k) attached hereto, the Borrower (i) has been and is in compliance with the material requirements of applicable Environmental Laws of which the failure to comply would reasonably be expected to cause a Material Adverse Change; (ii) have not received notice of any violation or alleged violation of any Environmental Law the violation of which would reasonably be expected to cause a Material Adverse Change; and (iii) are not subject to any actual or contingent Environmental Claim, which Environmental Claim would reasonably be expected to cause a Material Adverse Change.

(l) True and Complete Disclosure. The Valhi Form 10-K most recently filed with the SEC and the Borrower's quarterly report on Form 10-Q most recently filed with the SEC, copies of which have been furnished by the Borrower to the Bank, did not, as of the respective dates such Form 10-K and Form 10-Q were filed with the SEC, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (b) from the date of filing of the Valhi Form 10-K or any subsequent Form 10-Q no event or condition exists or has occurred which has required or would require the Borrower to file a current report on Form 8-K pursuant to the Exchange Act except for any such event or condition which has been disclosed in writing to the Bank by delivery to the Bank of a Form 8-K.

(m) Beneficial Ownership of NL Shares. The Borrower beneficially owns such amount of NL Shares as is set forth in Schedule 4.01(m) attached hereto.

ARTICLE V COVENANTS OF THE BORROWER

Section 5.01. Affirmative Covenants. So long as the Note or any amount under any Credit Document shall remain unpaid or the Bank shall have any Commitment hereunder, the Borrower shall:

(a) Compliance with Laws, Etc. Comply in all material respects with all Legal Requirements, except where any failure to comply could not reasonably be expected to cause a Material Adverse Change. Without limiting the generality and coverage of the foregoing, the Borrower shall comply in all material respects with all Environmental Laws, and all laws, regulations, or directives with respect to equal employment opportunity and employee safety in all jurisdictions in which the Borrower does business, except where any failure to comply could not reasonably be expected to cause a Material Adverse Change; provided, however, that this Section 5.01(a) shall not prevent the Borrower, in good faith and with reasonable diligence, contesting the validity or application of any such laws or regulations by appropriate legal proceedings.

(b) Maintenance of Insurance. Maintain insurance with responsible and reputable insurance companies or associations in such amounts and covering such risks as are usually carried by companies engaged in similar businesses and owning similar properties in the same general areas in which the Borrower, operates, except where failure to maintain any such insurance could not reasonably be expected to cause a Material Adverse Change; provided that the Borrower may self-insure to the extent and in the manner normal for similarly situated companies of like size, type and financial condition that are part of a group of companies under common control.

(c) Preservation of Corporate Existence, Etc. Preserve and maintain its corporate existence, rights, franchises and privileges in the jurisdiction of its incorporation, and qualify and remain qualified, as a foreign corporation in each jurisdiction in which qualification is necessary or desirable in view of its business and operations or the ownership of its properties except where failure to so preserve and maintain or so qualify could not reasonably be expected to cause a Material Adverse Change; provided, however, that nothing herein contained shall prevent any transaction permitted by Section 5.02(c) or (d).

(d) Payment of Taxes, Etc. Pay and discharge, before the same shall become delinquent, (i) all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or Property that are material in amount, prior to the date on which penalties attach thereto, and (ii) all lawful claims that are material in amount which, if unpaid, might by law become a Lien upon its property except where any failure to pay and discharge could not reasonably be expected to cause a Material Adverse Change; provided, however, that the Borrower shall not be required to pay or discharge any such tax, assessment, charge, levy, or claim which is not yet due or is being contested in good faith and by appropriate proceedings, and with respect to which reserves in conformity with GAAP have been provided.

(e) Inspection. From time-to-time upon reasonable notice or after an Event of Default has occurred, permit any Persons designated by the Bank to visit, audit, and inspect any of the properties of the Borrower, including its financial and accounting records, and to make copies and take extracts therefrom, and to discuss its affairs, finances, and accounts with its officers and independent public accountants with respect to any matters concerning or relating to this Agreement or the transactions contemplated herein, all upon reasonable notice during normal business hours and as often as may be reasonably requested while such Default exists. All reasonable costs and expenses incurred by the Bank in connection therewith shall be borne by the Borrower.

Section 5.02. Negative Covenants. So long as the Note or any amount under any Credit Documents shall remain unpaid or the Bank shall have any Commitment hereunder, the Borrower will not:

(a) Debts, Guaranties and Other Obligations. Incur, create, assume, suffer to exist or in any manner become or be liable in respect of any Debt except:

(i) Debt existing as of September 30, 1995, including, without limitation, all renewals, extensions, rearrangements or refinancings of any such Debt on terms and for amounts substantially similar to the terms and amounts existing as of the date of this Agreement;

(ii) Debt of the Borrower hereunder to the Bank; and

(iii) Debt of the Borrower to any Person not existing on September 30, 1995 which when aggregated with Debt outstanding under this Agreement does not exceed \$100,000,000.

(b) Merger or Consolidation. Merge or consolidate with or into any other Person, or permit NL Industries to merge or consolidate with or into any other Person; provided, however, that if, but only if, there shall not exist or result in a Default, the Borrower or NL Industries may merge with any other Person if (i) the Borrower or NL Industries, as the case may be, is the surviving corporation of such merger or consolidation and (ii) the assets of the Person merging with or into the Borrower or NL Industries, as the case may be, exceed the liabilities of such Person.

(c) Sale of Stock. Sell, lease or otherwise transfer any NL Shares if after giving effect thereto the Borrower shall not retain a Control Percentage with respect to NL Industries.

(d) Changes in Accounting. Change its method of accounting (other than immaterial changes in methods, changes permitted by GAAP in which its auditors concur, and changes required by a change in GAAP).

(e) Change of NL Industries Certificate of Incorporation or Bylaws. Change or amend, or permit any change or amendment of the certificate of incorporation or bylaws of NL Industries or any of its Subsidiaries that decreases the Control Percentage with respect to NL Industries below 51%.

(f) Certificate of Incorporation. Take any action, with respect to its beneficial ownership of the NL Shares to amend the provisions of Article IV, Section A of NL's Certificate of Incorporation.

Section 5.03. Reporting Requirements. So long as the Note or any other amount under any Credit Document shall remain unpaid or any Bank shall have any Commitment hereunder, the Borrower will furnish to each Bank:

(a) as soon as possible and in any event within five days after the occurrence of each Default known to the Responsible Officers of the Borrower which is continuing on the date of such statement, a statement of a Responsible Officer of the Borrower setting forth the details of such Default and the actions which the Borrower has taken and proposes to take with respect thereto;

(g) except as to any matter which could not reasonably be expected to cause a Material Adverse Change, promptly and in any event within five Business Days after receipt thereof by the Borrower from a Multiemployer Plan sponsor, a copy of each notice received by the Borrower concerning the imposition or amount of withdrawal liability pursuant to Section 4202 of ERISA;

(i) prompt written notice of any claims, proceedings, or disputes, or to the knowledge of the Borrower threatened, or affecting the Borrower which, if adversely determined, could reasonably be expected to cause a Material Adverse Change, or any material labor controversy of which a Responsible Officer of the Borrower has knowledge resulting in or threatening to result in a strike against the Borrower which could reasonably be expected to cause a Material Adverse Change, or any proposal of which a Responsible Officer of the Borrower has knowledge by any Governmental Authority to acquire any of the material assets or business of the Borrower which could reasonably be expected to cause a Material Adverse Change;

(j) promptly and in any event within five Business Days of any such amendment, copies of each amendment to the certificate or articles of incorporation or bylaws of the Borrower or of NL Industries; and

ARTICLE VI EVENTS OF DEFAULT

Section 6.01. Events of Default. The occurrence of any of the following events shall constitute an "Event of Default" under any Credit Document:

(a) The Borrower shall fail to pay any principal of the Note when the same becomes due and payable, or any interest on the Note or any fee or other amount payable hereunder or under any other Credit Document within two Business Days after the same becomes due and payable; or

Section 7.03. No Waiver; Remedies. No failure on the part of the Bank to exercise, and no delay in exercising, any right hereunder or under the Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04. Costs and Expenses.

(a) The Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, the Note and the other Credit Documents including, without limitation, the reasonable fees and out-of-pocket expenses of Bracewell & Patterson, L.L.P., counsel for the Bank, and with respect to advising the Bank as to its respective rights and responsibilities under this Agreement, and, after the occurrence of an Event of Default, all reasonable out-of-pocket costs and expenses, if any, of the Bank (including, without limitation, reasonable counsel fees and expenses of the Bank) in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of this Agreement, the Note and the other Credit Documents.

Section 7.05. Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, the Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Bank to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, the Note, and the other Credit Documents, irrespective of whether or not the Bank shall have made any demand under this Agreement, the Note, or such other Credit Documents, and although such obligations may be unmatured. The Bank agrees promptly to notify the Borrower after any such set-off and application made by the Bank, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Bank under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Bank may have.

Section 7.06. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Bank and thereafter shall be binding upon and inure to the benefit of the Borrower and the Bank and their respective successors and assigns upon notice to the Borrower, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Bank.

The Borrower shall indemnify the Bank and each affiliate thereof and their respective directors, officers, employees and agents from, and hold each of them harmless against, any and all losses, liabilities, claims or damages to which any of them may become subject (excluding any consequential losses), insofar as such losses, liabilities, claims or damages arise out of or result from any actual or proposed use by the Borrower or any Subsidiary of the Borrower of the proceeds of any Advance or breach by the Borrower of any provision of this Agreement or any other Credit Document, or from any investigation, litigation or other proceeding (including any threatened investigation or proceeding) relating to the foregoing, and the Borrower shall reimburse the Bank, and each affiliate thereof and their respective directors, officers, employees and agents, upon demand for any reasonable out-of-pocket expenses (including legal fees) incurred in connection with any such investigation, litigation or other proceeding; but excluding any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified.

Section 7.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

THE BORROWER HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY TEXAS STATE OR FEDERAL COURT SITTING IN DALLAS COUNTY, THE CITY OF DALLAS, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE NOTE AND THE OTHER CREDIT DOCUMENTS, AND THE BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURT. THE BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, ANY RIGHT IT MAY HAVE TO TRIAL

THE BORROWER AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS SECTION SHALL AFFECT THE RIGHTS OF THE BANK TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR AFFECT THE RIGHT OF THE BANK TO BRING ANY ACTION OR PROCEEDING AGAINST THE BORROWER OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized as of the date first above written.

The Borrower is the record and beneficial owner of each item of Collateral existing on the date of this Pledge Agreement free and clear of all Liens except the Lien created hereunder. The Borrower will be the record and beneficial owner of each item of Collateral hereafter acquired in addition to any then existing Collateral free and clear of all Liens except the Lien created hereunder. The Borrower is not and will not become a party to or otherwise bound by any agreement, other than this Pledge Agreement, which restricts in any manner the rights of any present or future holder of any of the Pledged Securities with respect thereto.

(b) Issuance of Pledged Securities. The capital stock of NL Industries is duly authorized, validly issued and fully paid and non-assessable. All of the initial Pledged Shares have been beneficially owned by the Borrower for a period in excess of three years.

(c) Validity, Perfection and Priority of Security Interests. Upon (i) delivery to the Bank of all Pledged Securities other than Pledged Securities

which have been deposited in an Approved Depository, and (ii) the making of appropriate entries under Section 8-320 of the UCC to the Bank's account on the books of an Approved Depository of all Pledged Securities which have been deposited with such Approved Depository, the Bank will have Acceptable Security Interests in such Collateral. The Borrower has not performed any acts which might prevent the Bank from enforcing any of the terms and conditions of this Pledge Agreement or which would limit the Bank in any such enforcement.

SECTION 3. The Security Interests.

(a) In order to secure the full and punctual payment of the Secured Obligations in accordance with the terms thereof, and to secure the performance of all the obligations of the Borrower hereunder and under the other Credit Documents, the Borrower hereby grants to the Bank continuing security interests in the Collateral, whether presently existing or owned or hereafter arising or acquired.

(b) The security interests granted hereby are granted as security only and shall not subject the Bank to, or transfer or in any way affect or modify, any obligation or liability of the Borrower with respect to any of the Collateral or any transaction in connection therewith.

SECTION 4. Perfection of Security Interests.

(a) Prior to the initial Advance under the Credit Agreement, and thereafter upon each acquisition of any Pledged Securities and each investment or reinvestment of funds deposited in the Collateral Account pursuant to Section 7 of this Pledge Agreement, the Borrower shall (i) deliver or cause to be delivered to the Bank all previously undelivered certificates and instruments evidencing Pledged Securities other than Pledged Securities which have been deposited in an Approved Depository and (ii) give all notices and take such other action as may be necessary to perfect the Bank's security interest in any Pledged Securities which have been deposited with an Approved Depository.

(b) All Pledged Securities other than Pledged Securities which have been deposited with an Approved Depository shall be delivered to the Bank in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, with signatures appropriately guaranteed, and accompanied in each case by any required transfer tax stamps, all in form and substance reasonably satisfactory to the Bank.

(c) The Borrower shall cause each Approved Depository to make appropriate entries to the Bank's account on the books of such Approved Depository to reflect the transfer of all Pledged Securities which have been deposited with such Approved Depository to the Bank and to deliver to the Bank a written confirmation of the book-entry transfer of such Pledged Securities into such account, to be held as Collateral under this Pledge Agreement.

(d) Promptly following the Borrower's acquisition of any Pledged Security which constitutes an "uncertificated security" as defined in the UCC, the Borrower and the Bank will effect such modifications to this Pledge Agreement as the Bank in its discretion deems necessary or appropriate to ensure that the security interests with respect to such portion of the Collateral are protected to substantially the same extent as provided for herein with respect to other Pledged Securities and the Borrower shall provide evidence satisfactory to the Bank of compliance by the Borrower with Section 5 hereof with respect to such portion of the Collateral.

(e) The Borrower shall notify NL Industries of the Lien on the Pledged Securities provided hereby and shall cause NL Industries, within ten Business Days of the date of this Pledge Agreement, to send written notice to the Bank acknowledging such Lien and expressly agreeing to remit any and all dividends and distributions on account of the Pledged Securities (other than cash dividends) remitted after the date of this Pledge Agreement directly to the Bank, and, upon receipt by NL Industries of any notice from the Bank that a Default has occurred and is continuing, to remit all cash dividends and any and all other distributions on account of the Pledged Securities directly to the Bank.

SECTION 5. Further Assurances.

The Borrower will, from time to time, at its expense and in such manner and form as the Bank may reasonably require, execute and deliver any financing statement, specific assignment, notice or other writing and take any other action that may be necessary or desirable, or that the Bank may reasonably request, in order to create, preserve, perfect or validate the security interests granted hereby or to enable the Bank to exercise and enforce its rights hereunder with respect to any of the Collateral. To the extent permitted by applicable law, the Borrower hereby authorizes the Bank to execute and file, in the name of the Borrower or otherwise, UCC financing statements which the Bank in its sole discretion may deem necessary or appropriate to perfect the security interests granted hereby. The Borrower agrees that a carbon, photographic, photostatic or other reproduction of this Pledge Agreement or of a financing statement is sufficient as a financing statement. The Borrower shall pay the costs of, or incidental to, any recording or filing of any financing or continuation statements concerning the Collateral.

SECTION 6. Collateral Account.

Prior to the first Advance under the Credit Agreement there shall be established and, at all times thereafter until this Pledge Agreement shall have terminated, there shall be maintained with the Bank an account designated "Collateral Account Societe Generale for Valhi, Inc." (the "Collateral Account"). All proceeds of dividends and other payments and distributions on Pledged Securities (following the occurrence and during the continuation of a Default, all cash dividends paid on account of Pledged Securities) received by the Bank at any time shall be deposited directly into the Collateral Account and thereafter shall be held and applied by the Bank in accordance with this Pledge Agreement. If any such proceeds, payments or distributions are received by the Borrower at any time after occurrence and during the continuance of a Default, they shall be received in trust for the benefit of the Bank, and shall be deposited by the Borrower forthwith into the Collateral Account in the same form as received (with any necessary endorsement). No amount, including interest on funds in the Collateral Account, shall be paid or released to or for the account of, or withdrawn by or for the account of, the Borrower or any other Person from the Collateral Account except as provided in this Pledge Agreement.

SECTION 7. Investment of Funds Deposited in the Collateral Account; Release of Funds.

(a) Investment of Funds. So long as no Default shall have occurred and be continuing, the Borrower may direct the investment and reinvestment by the Bank of all funds on deposit in the Collateral Account in accordance with the following terms and conditions:

(A) such funds will be invested solely in Qualified Investments;
and

(B) prior to or contemporaneously with the making of any such investment, the Borrower shall in accordance with Section 4 of this Pledge Agreement take or cause to be taken such steps as may be necessary to insure that the Bank will have an Acceptable Security Interest in such investment.

(b) Release of Funds. So long as no Default shall have occurred and be continuing, the Borrower shall be entitled to receive from the Bank all interest or other income with respect to all funds on deposit in the Collateral Account.

(c) Representation and Warranty. Each request by the Borrower for investment or release of funds in or from the Collateral Account shall be deemed to be a representation and warranty by the Borrower that (i) such investment or withdrawal is in accordance with the terms and conditions specified in subsection (a) of this Section or for the purposes specified in subsection (b) of this Section, as applicable, (ii) the representations and warranties set forth herein are true and correct on and as of the date of such request as if made on and as of such date; and (iii) no Default has occurred and is continuing on the date of such request.

SECTION 8. Record Ownership of Pledged Securities; Definitive Certificates.

The Bank may at any time following the occurrence and during the continuation of a Default, from time to time, in its sole discretion, cause any or all of the Pledged Securities to be transferred of record into the name of the Bank or a nominee. The Borrower will promptly give to the Bank copies of any notices and other communications received by it with respect to Pledged Securities registered in the name of the Borrower, and the Bank will promptly give the Borrower copies of any notices and other communications received by the Bank with respect to Pledged Securities registered in the name of the Bank or a nominee. The Bank shall at all times have the right to obtain definitive certificates (in its name or in the name of a nominee) representing Pledged Securities at any time deposited with an Approved Depository, and all such certificates shall be Collateral hereunder and be subject to the terms hereof.

SECTION 9. Right to Vote Pledged Securities; Receipt of Dividends, Etc.

(a) Unless a Default shall have occurred and be continuing, the Borrower shall have the right, from time to time, to vote and to give consents, ratifications and waivers with respect to the Pledged Securities, and the Bank shall, upon receiving a written request from the Borrower, which request shall be deemed to be a representation and warranty by the Borrower that no Default has occurred and is continuing, deliver to the Borrower or, as specified in such request, such proxies, powers of attorney, consents, ratifications and waivers in respect of any Pledged Securities which are registered in the name of the Bank or a nominee as shall be specified in such request and be in form and substance satisfactory to the Bank.

(b) If a Default shall have occurred and be continuing, all rights of the Borrower to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 9(a) above shall end upon thirty days' notice from the Bank to the Borrower and thereafter the Bank shall have the right to the extent permitted by law for so long as such Default continues, and the Borrower shall take all such action as may be necessary or appropriate to give effect to such right, to vote and to give consents, ratifications and waivers, and take any other action with respect to all Pledged Securities with the same force and effect as if the Bank were the absolute and sole owner thereof.

(c) The Bank shall be entitled to receive and retain as Collateral all dividends and distributions (other than cash dividends or distributions) made in respect of the Pledged Securities, whether so paid or made before or after any Default has occurred; provided, however, that upon the occurrence and during the continuance of a Default, the Bank shall be entitled to receive and deposit as Collateral all cash dividends into the Collateral Account for so long as such Default continues. Any such dividends or distributions on account of Pledged Securities shall, if received by the Borrower, be received in trust for the benefit of the Bank, be segregated from the other property or funds of the Borrower, and be forthwith delivered to the Bank as Collateral in the same form as so received (with any necessary endorsement).

SECTION 10. General Authority.

The Borrower hereby irrevocably appoints the Bank its true and lawful attorney, with full power of substitution, in the name of the Borrower, the Bank, the Bank or otherwise, for the sole use and benefit of the Bank, the Bank and the holders of the Secured Obligations, but at the Borrower's expense, to the extent permitted by law to exercise, at any time and from time to time, all or any of the following powers with respect to all or any of the Collateral:

(a) to take such reasonable action as the Bank deems necessary to protect or preserve the Collateral and to realize upon the Collateral in accordance with this Pledge Agreement;

(b) if a Default shall have occurred and be continuing, to give notice thereof to the Borrower, whereupon (i) funds on deposit in the Collateral Account shall not be made available to the Borrower and (ii) the Bank may direct the investment and reinvestment of all funds on deposit in the Collateral

Account pending application in accordance with Section 12 in Qualified Investments; and

(c) so long as an Event of Default shall have occurred and be continuing:

(i) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue of the Collateral,

(ii) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto, and

(iii) to sell, transfer, assign or otherwise deal in or with the same or the proceeds thereof in accordance with Section 11.

SECTION 11. Remedies upon Event of Default

(a) If any Event of Default shall have occurred and be continuing, the Bank may exercise all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) and, in addition, the Bank may without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, (i) apply the cash, if any, then held as Collateral as specified in Section 12 and (ii) if there shall be no such cash or if such cash shall be insufficient to pay all the Secured Obligations in full, sell the Collateral or any part thereof at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery, and (subject to the requirements of the UCC) at such price or prices as the Bank may deem satisfactory. The Bank may be the purchaser of any or all of the Collateral so sold at any public sale (or, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of a widely distributed standard price quotations, at any private sale) and thereafter hold the same, absolutely, free from any right or claim of whatsoever kind. The Bank is authorized in connection with any such sale (i) to restrict the prospective bidders on or purchasers of any of the Collateral to a limited number of sophisticated investors who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or sale of any of such Collateral, (ii) to cause, if applicable, to be placed on certificates for any or all of the Pledged Securities a legend to the effect that such security has not been registered under the Securities Act of 1933 ("Securities Act") and may not be disposed of in violation of the provisions of the Securities Act, and (iii) to impose such other limitations or conditions in connection with any such sale as the Bank reasonably deems necessary or advisable in order to comply with the Securities Act or any other applicable law or regulation. The Borrower agrees that it will execute and deliver such documents and take such other reasonable action as the Bank deems necessary or advisable in order that any such sale may be made in compliance with law. Upon any such sale the Bank shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold. Each purchaser at any such sale shall hold the Collateral so sold to it absolutely, free from any claim or right of whatsoever kind, including any equity or right of redemption of the Borrower which, to the extent permitted by law, hereby specifically waives all rights of redemption, stay or appraisal which it has or may have under any law now existing or hereafter adopted. The Bank shall give the Borrower not less than ten days' prior written notice of the time and place of any sale or other intended disposition of any of the Collateral unless the Collateral threatens to decline speedily in value. The Bank and the Borrower agree that such notice constitutes "reasonable notification" within the meaning of UCC Section 9-504(3). Such notice (if any is required) shall (i) in the case of a public sale, state the time and place fixed for such sale, (ii) in the case of sale at a broker's board or on a securities exchange, state the board or exchange at which such sale is to be made and the day on which the Collateral, or the portion thereof so being sold, will first be offered to sale at such board or exchange, and (iii) in the case of a private sale, state the day after which such sale may be consummated. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Bank shall deem to be commercially reasonable, provided that the Bank shall not be obligated to make any such sale pursuant to any such notice. The Bank may, without notice or publication,

adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. If all or any part of the Collateral is sold on credit or for future delivery, the Collateral so sold may be retained by the Bank until the selling price is paid by the purchaser thereof, but the Bank shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice.

The Bank, instead of exercising the power of sale herein conferred upon it, may proceed by a suit or suits at law or in equity to foreclose the Security Interests and sell the Collateral, or any portion thereof, under a judgment or decree of a court of courts of competent jurisdiction.

(b) Undertakings to Apply Reports. If the Bank shall determine to exercise its right to sell all or any of the Pledged Securities pursuant to Rule 144 of the General Rules and Regulations of the Securities Act ("Rule 144"), at the request of the Bank, the Borrower shall exercise best efforts to cause NL Industries to file, on a timely basis, all annual quarterly and other reports required to be filed by it under Sections 13 and 15(d) of the Exchange Act, and the rules and regulations of the SEC thereunder, as amended from time to time. In addition, at the request of the Bank, the Borrower shall exercise best efforts to cause NL Industries to cooperate with the Bank so as to enable such sales to be made in accordance with applicable laws, rules, and regulations and the requirements of the broker through which the sales are proposed to be executed, and shall, upon request and assuming that the requirements of Rule 144 have been complied with, furnish at the Borrower's expense an opinion of counsel to NL Industries that the proposed sale is in compliance with Rule 144.

(c) For the purpose of enforcing any and all rights and remedies under this Pledge Agreement the Bank may (i) require the Borrower to, and the Borrower agrees that it will, at its expense and upon the request of the Bank, forthwith assemble all or any part of the Collateral not held by the Bank or an agent as directed by the Bank and make it available at a place designated by the Bank which is, in its opinion, reasonably convenient to the Collateral and the Borrower, whether at the premises of the Borrower or otherwise, (ii) to the extent permitted by applicable law, enter, with or without process of law and without breach of the peace, any premises where any of such Collateral is or may be located, and without charge or liability to it seize and remove such Collateral from such premises, and (iii) have access to and use the Borrower's books and records relating to such Collateral.

SECTION 12. Application of Proceeds.

The proceeds of any sale of, or other realization upon, all or any part of the Collateral shall be applied by the Bank in the following order of priorities:

first, to payment of the expenses of such sale or other realization, including reasonable compensation to the Bank, and its agents and counsel, and all reasonable expenses, liabilities and advances incurred or made by the Bank in connection therewith, and any other unreimbursed reasonable expenses or other reasonable amounts for which the Bank is to be reimbursed pursuant to Section 13 hereof or is to be reimbursed pursuant to the Credit Agreement;

second, to the ratable payment of accrued but unpaid interest and any accrued but unpaid fees constituting part of the Secured Obligations in accordance with the terms of the Credit Agreement;

third, to the ratable payment of unpaid principal of the Secured Obligations;

fourth, to the ratable payment of all other Secured Obligations, until all Secured Obligations (including without limitation all reasonable legal fees and expenses payable by the Borrower pursuant to the terms of the Credit Agreement) shall have been paid in full; and

finally, to payment to the Borrower or its successors or assigns,

or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds.

SECTION 13. Expenses.

The Borrower will forthwith upon demand pay to the Bank:

(a) the amount of any taxes which the Bank may have been required to pay by reason of the security interests granted hereby (including any applicable transfer taxes) or to free any of the Collateral from any Lien thereon, and

(b) the amount of any and all reasonable out-of-pocket expenses, including the reasonable fees and disbursements of counsel or any other agents or experts which the Bank may incur in connection with (i) the administration of this Pledge Agreement, (ii) the collection, sale or other disposition of any of the Collateral, (iii) the exercise by the Bank of any of the rights conferred upon it hereunder or (iv) any default on the part of the Borrower hereunder.

SECTION 14. Termination of Security Interests; Release of Collateral.

Upon the repayment in full of all Secured Obligations and the termination of the Commitment under the Credit Agreement, the security interests granted hereby shall terminate and all rights to the Collateral shall revert to the Borrower, and the Bank will promptly execute and deliver to the Borrower such documents as the Borrower shall reasonably request to evidence such termination.

At any time when the Borrower is not in Default the Borrower may request the Bank and the Bank shall promptly release to the Borrower an amount of Pledged Shares so that the remaining Collateral Value of all Pledged Shares held by the Bank is equal to or exceeds 300% of the then existing Commitment.

SECTION 15. Notices.

All notices, communications and distributions hereunder shall be given or made to the parties hereto in the manner and at the locations set forth in the Credit Agreement or at such other address or telex number as the addressee may hereafter specify for the purpose of giving notice.

SECTION 16. Waivers, Non-Exclusive Remedies.

No failure on the part of the Bank to exercise, and no delay in exercising and no course of dealing with respect to, any right under this Pledge Agreement or any other Credit Document shall operate as a waiver thereof; nor shall any single or partial exercise by the Bank of any right under this Pledge Agreement preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies in the Credit Documents are cumulative and are not exclusive of any other remedies provided by law.

SECTION 17. Successors and Assigns.

This Pledge Agreement is for the benefit of the Bank and its successors and assigns, and in the event of an assignment of all or any of the Secured Obligations, the rights hereunder, to the extent applicable to the indebtedness so assigned, may be transferred with such indebtedness. The Bank agrees to give the Borrower written notice of any such assignment. This Pledge Agreement shall be binding on the Borrower and its successors and assigns.

SECTION 18. Changes in Writing.

Neither this Pledge Agreement nor any provision hereof may be changed, waived, discharged or terminated orally, but only by a statement in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought.

SECTION 19. Choice of Law.

This Pledge Agreement shall be construed in accordance with and governed by the laws of the State of Texas, except as otherwise required by mandatory provisions of law and except to the extent that remedies provided by the laws of

any jurisdiction other than Texas are governed by the laws of such jurisdiction.

SECTION 20. Severability.

If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Bank in order to carry out the intentions of the parties hereto as nearly as may be possible; and (b) the invalidity or unenforceability of an provisions hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.
